

## Zoznam monografií Európskeho liekopisu (Ph. Eur.), 11.0 vydanie a Doplňkov 11.1 - 11.8

Aktualizácia: 27.06.2025

### A

| Latinský názov                       | Anglický názov              | Slovenský názov                  | Referenčné číslo | [CAS]         |
|--------------------------------------|-----------------------------|----------------------------------|------------------|---------------|
| Abacaviri sulfas                     | Abacavir sulfate            | Abakavírium-sulfát               | 2589             | [188062-50-2] |
| Abelmoschi corolla                   | Abelmoschi corolla          | Koruna ibiškovca                 | 2827             |               |
| Absinthii herba                      | Wormwood                    | Vňať paliny                      | 1380             |               |
| Acaciae gummi                        | Acacia                      | Arabská guma                     | 0307             |               |
| Acaciae gummi dispersione desiccatum | Acacia, dried dispersion    | Arabská guma, sušená disperzia   | 0308             |               |
| Acamprosatum calcicum                | Acamprosate calcium         | Akamprozát vápenatý              | 1585             | [77337-73-6]  |
| Acanthopanax gracilistyl cortex      | Acanthopanax bark           | Kôra všebojovca štíhlostopkatého | 2432             |               |
| Acarbosum                            | Acarbose                    | Akarbóza                         | 2089             | [56180-94-0]  |
| Acari ad producta allergenica        | Mites for allergen products | Roztoče na alergénové produkty   | 2625             |               |
| Acebutololi hydrochloridum           | Acebutolol hydrochloride    | Acebutoľum-chlorid               | 0871             | [34381-68-5]  |
| Aceclofenacum                        | Aceclofenac                 | Aceklofenak                      | 1281             | [89796-99-6]  |
| Acemetacinum                         | Acemetacin                  | Acemetacín                       | 1686             | [53164-05-9]  |
| Acesulfamum kalicum                  | Acesulfame potassium        | Acesulfám, draselná sol'         | 1282             | [55589-62-3]  |
| Acetazolamidum                       | Acetazolamide               | Acetazolamid                     | 0454             | [59-66-5]     |
| Acetonum                             | Acetone                     | Acetón                           | 0872             | [67-64-1]     |
| Acetylcholini chloridum              | Acetylcholine chloride      | Acetylcholínium-chlorid          | 1485             | [60-31-1]     |

| Latinský názov   | Anglický názov   | Slovenský názov  | Referenčné číslo | [CAS]        |
|--|--|--|------------------|--------------|
| Acetylcysteïnum  | Acetylcysteine   | Acetylcysteín  | 0967             | [616-91-1]   |
| β-Acetyl digoxinum   | β-Acetyl digoxin   | β-Acetyl digoxín   | 2168             | [5355-48-6]  |
| Acetylenum (1 per centum)<br>in nitrogenio intermixtum                                   | Acetylene intermix (1 per cent) in nitrogen                                    | Acetylén, jednopercentný plynný roztok v dusíku                            | 2903             |              |
| Achyranthis bidentatae radix   | Achyranthes bidentata root   | Koreň achyrantru dvojzubého  | 2999             |              |
| Aciclovirum  | Aciclovir  | Aciklovir  | 0968             | [59277-89-3] |
| Acidi methacrylici et ethylis<br>acrylatis polymerisatum 1 : 1                           | Methacrylic acid-ethyl<br>acrylate copolymer (1 : 1)                           | Kyselina metakrylová s<br>etylakrylátom 1 : 1,<br>kopolymér                | 1128             |              |
| Acidi methacrylici et ethylis<br>acrylatis polymerisati 1 : 1<br>dispersio 30 per centum | Methacrylic acid-ethyl<br>acrylate copolymer (1 : 1)<br>dispersion 30 per cent | Kyselina metakrylová s<br>etylakrylátom 1 : 1<br>kopolymér, 30 % disperzia | 1129             |              |
| Acidi methacrylici et<br>methylis methacrylatis<br>polymerisatum 1 : 1                   | Methacrylic acid- methyl<br>methacrylate copolymer (1<br>: 1)                  | Kyselina metakrylová s<br>metylmetakrylátom 1 : 1,<br>kopolymér            | 1127             |              |
| Acidi methacrylici et<br>methylis methacrylatis<br>polymerisatum 1 : 2                   | Methacrylic acid-methyl<br>methacrylate copolymer (1<br>: 2)                   | Kyselina metakrylová s<br>metylmetakrylátom 1 : 2,<br>kopolymér            | 1130             |              |
| Acidum 4-aminobenzoicum  | 4-Aminobenzoic acid  | Kyselina 4-aminobenzoová   | 1687             | [150-13-0]   |
| Acidum aceticum glaciale   | Acetic acid, glacial   | Kyselina octová, ľadová  | 0590             | [64-19-7]    |
| Acidum acetyl salicylicum  | Acetyl salicylic acid  | Kyselina acetyl salicylová   | 0309             | [50-78-2]    |
| Acidum adipicum  | Adipic acid  | Kyselina adipová   | 1586             | [124-04-9]   |
| Acidum alginicum   | Alginic acid   | Kyselina algínová  | 0591             |              |
| Acidum amidotrizoicum<br>dihydricum  | Amidotrizoic acid<br>dihydrate   | Kyselina amidotrizoová,<br>dihydrát  | 0873             | [50978-11-5] |

| Latinský názov                     | Anglický názov                  | Slovenský názov                        | Referenčné číslo | [CAS]                           |
|------------------------------------|---------------------------------|--|------------------|---------------------------------|
| Acidum aminocaproicum              | Aminocaproic acid               | Kyselina aminokaprónová                | 0874             | [60-32-2]                       |
| Acidum ascorbicum                  | Ascorbic acid                   | Kyselina askorbová                     | 0253             | [50-81-7]                       |
| Acidum asparticum                  | Aspartic acid                   | Kyselina asparágová                    | 0797             | [56-84-8]                       |
| Acidum benzoicum                   | Benzoic acid                    | Kyselina benzoová                      | 0066             | [65-85-0]                       |
| Acidum boricum                     | Boric acid                      | Kyselina boritá                        | 0001             | [10043-35-3]                    |
| Acidum caprylicum                  | Caprylic acid                   | Kyselina kaprylová                     | 1401             | [124-07-2]                      |
| Acidum chenodeoxycholicum          | Chenodeoxycholic acid           | Kyselina chenodeoxycholová             | 1189             | [474-25-9]                      |
| Acidum citricum                    | Citric acid                     | Kyselina citrónová                     | 0455             | [77-92-9]                       |
| Acidum citricum monohydricum       | Citric acid monohydrate         | Kyselina citrónová, monohydrát         | 0456             | [5949-29-1]                     |
| Acidum edeticum                    | Edetic acid                     | Kyselina edetová                       | 1612             | [60-00-4]                       |
| Acidum etacrylicum                 | Etacrylic acid                  | Kyselina etakrynová                    | 0457             | [58-54-8]                       |
| Acidum folicum hydricum            | Folic acid hydrate              | Kyselina listová, hydrát               | 0067             | Anhydrous folic acid: [59-30-3] |
| Acidum formicum                    | Formic acid                     | Kyselina mravčia                       | 2809             | [64-18-6]                       |
| Acidum fusidicum                   | Fusidic acid                    | Kyselina fusidová                      | 0798             | [6990-06-3]                     |
| Acidum glutamicum                  | Glutamic acid                   | Kyselina glutámová                     | 0750             | [56-86-0]                       |
| Acidum hydrochloridum concentratum | Hydrochloric acid, concentrated | Kyselina chlorovodíková, koncentrovaná | 0002             | [7647-01-0]                     |
| Acidum hydrochloridum dilutum      | Hydrochloric acid, dilute       | Kyselina chlorovodíková, zriedená      | 0003             |                                 |
| Acidum iopanoicum                  | Iopanoic acid                   | Kyselina jopanoová                     | 0700             | [96-83-3]                       |
| Acidum ioxaglicum                  | Ioxaglic acid                   | Kyselina joxaglová                     | 2009             | [59017-64-0]                    |
| Acidum lacticum                    | Lactic acid                     | Kyselina mliečna                       | 0458             |                                 |

| Latinský názov                                   | Anglický názov                                     | Slovenský názov                                    | Referenčné číslo | [CAS]  |
|--|--|--|------------------|--|
| Acidum lactobionicum                             | Lactobionic acid                                   | Kyselina laktobiónová                              | 1647             | [96-82-2]<br>(kysel.forma)<br>[5965-65-1] (δ-lakton) |
| Acidum maleicum                                  | Maleic acid  | Kyselina maleínová                                 | 0365             | [110-16-7]   |
| Acidum malicum                                   | Malic acid   | Kyselina jablčná                                   | 2080             | [6915-15-7]  |
| Acidum medronicum ad radiopharmaceutica          | Medronic acid for radiopharmaceutical preparations | Kyselina medrónová na rádiofarmaceutické prípravky | 2350             | [1984-15-2]  |
| Acidum mefenamicum                               | Mefenamic acid                                     | Kyselina mefenámová                                | 1240             | [61-68-7]  |
| Acidum nicotinicum                               | Nicotinic acid                                     | Kyselina nikotínová                                | 0459             | [59-67-6]  |
| Acidum niflumicum                                | Niflumic acid                                      | Kyselina niflumová                                 | 2115             | [4394-00-7]  |
| Acidum nitricum                                  | Nitric acid  | Kyselina dusičná                                   | 1549             | [7697-37-2]  |
| Acidum oleicum                                   | Oleic acid   | Kyselina olejová                                   | 0799             | [112-80-1]   |
| Acidum oxolinicum                                | Oxolinic acid                                      | Kyselina oxolínová                                 | 1353             | [14698-29-4]   |
| Acidum palmiticum                                | Palmitic acid                                      | Kyselina palmitová                                 | 1904             | [57-10-3]  |
| Acidum phosphoricum concentratum                 | Phosphoric acid, concentrated                      | Kyselina fosforečná, koncentrovaná                 | 0004             | [7664-38-2]  |
| Acidum phosphoricum dilutum                      | Phosphoric acid, dilute                            | Kyselina fosforečná, zriadená                      | 0005             |  |
| Acidum picricum ad praeparationes homoeopathicas | Acidum picrinicum for homoeopathic preparations    | Kyselina pikrová na homeopatické prípravky         | 2695             | [88-89-1]  |
| Acidum pipemicum trihydricum                     | Pipemic acid trihydrate                            | Kyselina pipemidová, trihydrát                     | 1743             | [72571-82-5]   |

| Latinský názov                                     | Anglický názov                                  | Slovenský názov                              | Referenčné číslo | [CAS]         |
|--|---|--|------------------|---------------|
| Acidum salicylicum                                 | Salicylic acid                                  | Kyselina salicylová                          | 0366             | [69-72-7]     |

| Vaccinum hepatitis A inactivatum et hepatitis B (ADNr) adsorbatum              | Hepatitis A (inactivated) and hepatitis B (rDNA) vaccine (adsorbed)         | Očkovacia látka proti hepatitíde A (inaktivovaná) a hepatitíde B (rDNA) (adsorbovaná)             | 1526 |  |
| Vaccinum hepatitis B (ADNr)  | Hepatitis B vaccine (rDNA)  | Očkovacia látka proti hepatitíde B (rDNA)   | 1056 |  |
| Vaccinum hepatitis viralis anatis stirpis I vivum                              | Duck viral hepatitis type I vaccine (live)                                  | Očkovacia látka proti vírusovej hepatitíde kačíc typ I (živá)                                     | 1315 |  |
| Vaccinum herpesvirus equini inactivatum  | Equine herpesvirus vaccine (inactivated)                                    | Očkovacia látka proti konskému herpesvírusu (inaktivovaná)  | 1613 |  |
| Vaccinum inactivatum diarrhoeae vituli coronaviro illatae                      | Calf coronavirus diarrhoea vaccine (inactivated)                            | Očkovacia látka proti koronavírusovej hnačke teliat (inaktivovaná)                                | 1953 |  |
| Vaccinum inactivatum diarrhoeae vituli rotaviro illatae                        | Calf rotavirus diarrhoea vaccine (inactivated)                              | Očkovacia látka proti rotavírusovej hnačke teliat (inaktivovaná)                                  | 1954 |  |
| Vaccinum influenzae equinae inactivatum  | Equine influenza vaccine (inactivated)                                      | Očkovacia látka proti chrípke koní (inaktivovaná)   | 0249 |  |
| Vaccinum influenzae inactivatum ad suem  | Porcine influenza vaccine (inactivated)                                     | Očkovacia látka proti chrípke prasiat (inaktivovaná)  | 0963 |  |
| Vaccinum influenzae inactivatum ex cellulis corticisque antigeniis praeparatum | Influenza vaccine (surface antigen, inactivated, prepared in cell cultures) | Očkovacia látka proti chrípke (povrchový antigén, inaktivovaná, pripravená v bunkových kultúrach) | 2149 |  |
| Vaccinum influenzae inactivatum ex corticis antigeniis praeparatum             | Influenza vaccine (surface antigen, inactivated)                            | Očkovacia látka proti chrípke (povrchový antigén, inaktivovaná)                                   | 0869 |  |

|  |   |  |      |  |
|--|---|--|------|--|
| Vaccinum inactivatum ex corticis antigeniis praeparatum virosomale | Influenza vaccine (surface antigen, inactivated, virosoome) | Očkovacia látka proti chrípke (povrchový antigén, inaktivovaná, virozóm) | 2053 |  |
| Vaccinum inactivatum ex viris integris praeparatum                 | Influenza vaccine (whole virion, inactivated)               | Očkovacia látka proti chrípke (celý virión, inaktivovaná)                | 0159 |  |
| Vaccinum inactivatum ex virorum fragmentis praeparatum             | Influenza vaccine (split virion, inactivated)               | Očkovacia látka proti chrípke (štiepený virión, inaktivovaná)            | 0158 |  |
| Vaccinum influenzae vivum pernasale                                | Influenza vaccine (live, nasal)                             | Očkovacia látka proti chrípke (živá, nosová)                             | 2772 |  |
| Vaccinum laryngotraceitidis infectivae aviariae vivum              | Avian infectious laryngotraceitis vaccine (live)            | Očkovacia látka proti infekčnej laryngotraceitíde vtákov (živá)          | 1068 |  |
| Vaccinum leptospirosis bovinæ inactivatum                          | Bovine leptospirosis vaccine (inactivated)                  | Očkovacia látka proti leptospíróze hovädzieho dobytka (inaktivovaná)     | 1939 |  |
| Vaccinum leptospirosis caninae inactivatum                         | Canine leptospirosis vaccine (inactivated)                  | Očkovacia látka proti leptospíróze psov (inaktivovaná)                   | 0447 |  |
| Vaccinum leucosis felinae inactivatum                              | Feline leukaemia vaccine (inactivated)                      | Očkovacia látka proti leukémii mačiek (inaktivovaná)                     | 1321 |  |
| Vaccinum mannheimiae bovinæ inactivatum                            | Mannheimia vaccine (inactivated) for cattle                 | Očkovacia látka proti Mannheimia (inaktivovaná) pre hovädzí dobytok      | 1944 |  |

|   |  |   |      |  |
|---|--|---|------|--|
| Vaccinum mannheimiae inactivatum ad ovem                    | Mannheimia vaccine (inactivated) for sheep                               | Očkovacia látka proti Mannheimia (inaktivovaná) pre ovce                              | 1946 |  |
| Vaccinum meningococcale classis C coniugatum                | Meningococcal group C conjugate vaccine                                  | Očkovacia látka proti meningokokom skupiny C (konjugovaná)                            | 2112 |  |
| Vaccinum meningococcale classum A, C, W135 et Y coniugatum  | Meningococcal group A, C, W135 and Y conjugate vaccine                   | Očkovacia látka proti meningokokom skupiny A,C,W135 a Y (konjugovaná)                 | 3066 |  |
| Vaccinum meningococcale polysaccharidicum                   | Meningococcal polysaccharide vaccine                                     | Očkovacia látka proti meningokokom (polysacharidová)                                  | 0250 |  |
| Vaccinum morbi Aujeszkyi ad suem inactivatum                | Aujeszky's disease vaccine (inactivated) for pigs                        | Očkovacia látka proti Aujeszkyho chorobe (inaktivovaná) pre ošípané                   | 0744 |  |
| Vaccinum morbi Aujeszkyi vivum ad suem ad usum parenteralem | Aujeszky's disease vaccine (live) for pigs for parenteral administration | Očkovacia látka proti Aujeszkyho chorobe pre ošípané na parenterálnu aplikáciu (živá) | 0745 |  |
| Vaccinum morbi Carrei vivum ad canem                        | Canine distemper vaccine (live)  | Očkovacia látka proti psinke psov (živá)  | 0448 |  |
| Vaccinum morbi Carrei vivum ad mustelidas                   | Distemper vaccine (live) for mustelids                                   | Očkovacia látka proti psinke (živá) pre lasicovité                                    | 0449 |  |
| Vaccinum morbi haemorrhagici cuniculi inactivatum           | Rabbit haemorrhagic disease vaccine (inactivated)                        | Očkovacia látka proti hemoragickej chorobe králikov (inaktivovaná)                    | 2325 |  |
| Vaccinum morbi Marek vivum                                  | Marek's disease vaccine (live)   | Očkovacia látka proti Markovej chorobe (živá)   | 0589 |  |

|   |  |   |      |  |
