(Red) Phosphorus	2804 70 00	7723-14-0

¹ Synonyms: 4-Methoxy-benzyl methyl ketone, 4-methoxy-BMK, 4-methoxyphenylacetone., 1-(p-methoxyphenyl)-2-propanone, anisic ketone.

B. Substances with no known legal use and trade beyond limited research and laboratory analytical purposes

These substances, also called 'designer'-precursors or 'made-to-order'-precursors, have no known legal use and trade except some possible limited use in research and for laboratory analytical purposes. They are predominantly manufactured and traded with a view to evade control and monitoring of the authorities and for use in the illegal production of drugs.
